

## **Widecombe Pre-school Application Form**

It is our policy that the **Pre-school Registration form**, which will be given to you with our **New Starter Information Pack** once an application to attend Widecombe Pre-school has been received and sessions decided upon, should be completed by parent/carer at or before the child's first session.

This is to ensure that we have all necessary details re contact details, medical needs, and consents in place and can start the funding application process. Please bring your child's Birth Certificate &/or photo passport and if possible their red Health Record Book to their first session. We can not allow parents to leave their child at Pre-school until these forms have been completed.
