

01 Health and safety procedures

01.18 Animals and pets

Animals brought in by visitors

- The owner of the animal/creature maintains responsibility for it in the setting.
- The owner carries out a risk assessment detailing how the animal/creature is to be handled and how any safety or hygiene issues will be addressed.
- No dogs on the Government's Banned Dogs list are to be brought on site at any time. All other dogs brought on site by parents during arrivals and departure times must be on a lead and under control. The manager reserves the right to request that a dog is not brought on site, if the animal appears to be out of control, or likely to pose a risk.
